

## **JESPY HOUSE TEAMS WITH REGAL BANK TO EMPOWER ADULTS WITH INTELLECTUAL & DEVELOPMENTAL DISABILITIES**

JESPY House, a non-profit agency located in South Orange, NJ, is thrilled to partner with Regal Bank as a vendor of greeting cards, created and packaged by our clients.

JESPY House services 250 clients with Intellectual and Developmental Disabilities in the areas of employment, recreation, athletics, Community-based supports, behavioral health, activities of daily living and most importantly, advancing independence.

Employment and the ability to become more self-sufficient allows individuals with I/DD to gain a sense of purpose and self-worth. JESPY House created the Entrepreneurship Group to allow clients to create art and other items to sell in the community.

Our clients are proud to feature their greeting cards for all occasions in 10 of Regal Bank's branches.

Every card sold will enable our clients to receive a paycheck from the proceeds of the sale!
